Welcome to Three Ways School. The guiding principle at the school is 'to provide a positive, stimulating and supportive learning environment, celebrating individual achievements and preparing for life in the wider community'. We know you want the best education for your child and we are committed to providing it. We recognise the invaluable role that you as parents & carers play in the development of your child and seek to work closely with together at all times. As in all partnerships, it is important to clarify and agree our expectation of each other.

We, the school, will:

I / We, the parents & carers, will:

- Keep in regular contact and work with the school on all matters affecting my child's education
- Support my child with homework & other learning opportunities related to the Individual Education Plan
- Ensure my child attends school regularly, has the appropriate equipment for the school day and either wears school uniform or appropriate clothing.
- Attend meetings at school to discuss my child's progress and learn about the work of the school
- Use consistent approaches and set high expectations to support our pupils in the home and school setting
- Let the school know about any factors that might affect my child's performance in school.

I, the pupil, will:

- Try to do my best at all times
- Be kind, helpful & polite
- Take good care of equipment & buildings.

Together, we will all encourage pupils to:
